**Starting Level** \_\_\_\_\_

*Begin in the level in which the student misses two or more words (Levels 1-5). If the student reaches Level 6 without missing two or more words in a level, begin in the level in which the student misses four or more words. It is usually best to start at a level that is not too challenging. As soon as the student learns most of the words in the starting level, move to the next level.*

<b>Pretest Score</b>	
----------------------	--

(Total number of correct words)

**Student Engagement Codes (Circle one)**

D = Disruptive, behavior management interferes with assessment  
 N = Never engaged  
 S = Somewhat Engaged  
 A = Always Engaged

**Comments/observations:**

<b>Posttest Score</b>	

(Total number of correct words)

**Directions**

- Student reads the words one level at a time (use flashcards, word list or Powerpoint).
- If student does not respond in 3-4 seconds, prompt them by saying "What word?"
- Mark correct words with a ✓. Mark incorrect or no responses with an X.
- Continue testing until the student misses 6 words in a row. If the student becomes unfocused, discontinue testing session and resume at another time.
- If desired, write down incorrect responses.
